1	<p>As per the pre-bid responses, experience of the JV members will only be considered. Please note that obtaining approvals from the board and legal departments for entering into JVs is a time taking process. For international firms, considering that next week onwards Christmas and New year holidays start, availability of approving authorities may be challenge as mostly they will resume by Jan 1st week. We request consideration of time extension by 2 weeks.</p>	<p>In EoI stage, only consent letters from each of the JV members which intend forming a JV are required to be submitted along with the EoI. Adequate period for submission of EOI was already given as per World Bank's Procurement Regulations. However, considering Christmas & new year holidays, the last date and time for online submission of EoI through e-procurement portal is extended as an exceptional case up to 7.01.2022 at 14.00 HRS (IST) and the date & time of online opening of EoIs is fixed on 7.01.2022 at 14.30 HRS (IST). [Please refer to the Corrigendum-I(Time Extension) attached here]</p>
