

REPLIES OF ADDITIONAL QUERIES

RFQ Notice No. FREMAA(P)/TECH/09/ADB/2023/175

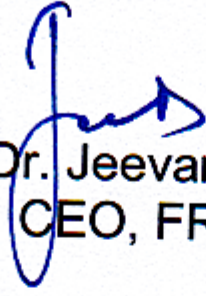

Dated: 05.06.2023

Name of Project: Climate Resilient Brahmaputra Integrated Flood and Riverbank Erosion Risk Management Project in Assam (CRBIFRERMP)

Assignment Title: Orthomosaic drone survey under CRBIFRERMP

Sl. No.	Queries	Reply from FREMAA
1	We request you to share the revised Area of Interest (kml file) as per the corrigendum.	There is no change in Area of Interest. All the given Stretches to be surveyed remains same and may be converted to kml.
2	"...A minimum of 2000 m details beyond the Start/End point of the alignment need to be mapped" :- Kindly clarify as it is not included in BOQ	Please refer the Corrigendum I dated 20.06.2023.
3	Request you to allow two drones for the purpose generally mapping Drones doesn't have feature of videography as it has DSLR camera so changing the sensors all the time is a tedious task.	Client is concerned with the deliverables mentioned in the RFQ only irrespective of the number of drones used by the service provider to complete the assignment.
4	Request you to kindly let us know the starting time of project as monsoon heading in Assam so it will be difficult to complete the work in 30 days and request you to keep completion date 60 days considering some technical glitch during the process.	No change of completion time. However, based on the actual site conditions which come under force majeure situations if any during the execution of the assignment, decision on the time extension will be taken by the authority.
5	Request you to kindly share a list of documents required.	Please refer to the list of documents mentioned in the RFQ document which is self-explanatory
6	Kindly mention the accuracy percentage required for the ortho images and video clips.	Accuracy to be maintained at minimum of 5 cm GSD (Ground Sampling Distance) instead of 95% Confidence level for collection of High-Resolution Aerial Imagery of by Drone for ortho-photo mosaic generation along with videography.

7	Request you to kindly extend the bid submission date for REQUEST FOR QUOTATION for further 7days.	The last date and time of quotation submission is on 5...07...2023 at 14:00HRS
